

FAMAART RETURNS TO BOLOGNA FROM 6 TO 9 OCTOBER
THE EXHIBITION OF ITALIAN AND GLOBAL EXCELLENCE
IN PICTURE FRAMES AND GRAPHIC ARTS
OPERATORS ARRIVING FROM 40 COUNTRIES

Famaart returns. After four years, the exhibition, organized by BolognaFiere with the support of **FAMA International** – the Consortium of Producers of Picture Frames, Accessories and Machinery – is being held in Bologna from **6-9 October**. Following a long hiatus caused by the pandemic, the B2B event involving manufacturers, distributors and all professional operators in the picture frame and graphic arts sector is back.

Famaart, now in its sixth edition, confirms its role as a global reference point for the compartment and is enhanced by an exhibition where, alongside the best and most established Italian companies, there will be a significant number of foreign operators. One day ahead of the opening, 1,100 professional operators, originating from more than 40 countries around the world, had already registered to take part, numbers that are even higher than those of the most recent pre-pandemic edition of the event in 2018.

Thanks to the work of the organizers, the fair will see the entire sector represented with more than 30 trade categories, creating a highly specialized hub and a crossroads between the world's best production and strategic buyers from the sector. Participants will experience three days filled with creativity, technology, innovation design and high-quality products.

Famaart involves manufacturers of picture frames and their components, machines and equipment for cutting, assembly and fastening, graphic arts and specialized equipment for museums and conservation as well as new technologies for production. A complete showcase with all of the new innovations for the sector, ranging from items for fine arts – frames, brushes, colours, decorative plaster, painters' canvases – decorative furniture, compositional materials and paints, glasses and special mirrors.

The Ovest Costituzione entrance provides access to Exhibition Hall 20.
